

broaden your horizons

wider GEOGRAPHY Summer Challenge

This holiday you are invited to take part in the wider GEOGRAPHY Summer Challenge.

What is the wider GEOGRAPHY Summer Challenge?

This summer, we are challenging you to take part in a range of geography-related activities that will broaden your horizons. There are challenges to suit everyone and are available under the following headings:

- wider EXPLORING
- wider LEARNING
- wider LISTENING
- wider READING
- wider TECHNOLOGY
- wider WATCHING

The challenges are available at www.internetgeography.net/wider

Keep a record of your challenges on the back of this sheet.

At the end of your summer holiday put together a brief overview of your experience (no more than 400 words). Finally, submit your overview to Internet Geography to be in with a chance of winning one of three £30 Amazon vouchers here: www.internetgeography.net/wider-overview
